

# RALLY FOR INDEPENDENCE

On Tuesday, March 26, advocates from across Indiana will rally at the Indiana Statehouse to demonstrate strong statewide support for home and community-based services, which allow seniors and people with disabilities of any age the option of remaining independent in their homes and communities. The Rally for Independence is an opportunity to learn about pertinent legislation before the Indiana General Assembly, to show our legislators statewide support for home and community-based services and to meet other advocates from across the state.
