

VOLUNTEERING PROMISES BIG RETURNS

This tax season you can bring thousands of dollars into the homes of working families in Lake, Porter, Newton, Pulaski, and Starke Counties.

As a volunteer tax preparer, you will be a part of a tremendous effort that brings over \$2.1 million into the homes of low-income families and the local economy. This income boost helps families afford winter coats, pay utility bills and even save for homeownership.

We Can Only Succeed With Volunteers Like You!

- **Make a Difference**
Each tax return completed by a volunteer can raise a working family's income by up to \$6,242. Volunteering once a week for the entire tax season can produce as much as \$53,000 in returns.
- **No Professional Experience Needed**
If you can do your own taxes, you can learn to do someone else's taxes! All volunteers received free IRS training and certification.
- **Flexible Hours**
You can volunteer daytime, evenings and/or weekends.
- **Flexible Locations**
You can choose from 15 different sites in neighborhoods throughout Northwest Indiana.
- **Advance Your Career**
A great resume building experience!
- **Opportunities for Everyone**
In addition to completing tax returns, we need volunteers to greet clients, link them to savings products, and provide administrative support.
